## Message From Women's City Club of New York

For one hundred years, Women's City Club of New York (WCC) has worked tirelessly to improve the lives of all New Yorkers through education, issue analysis, advocacy and civic participation. In 2012 we published the first Guide to Services and Resources in Manhattan, a comprehensive directory of service organizations across the borough. The Guide's 5,000 users overwhelmingly praised its level of detail, ease of use, and were able to more readily locate much needed services.

WCC began updating and expanding the Guide in 2014. The new version is both a searchable web-based tool and a printed publication, and now includes information on service provision in all five boroughs of New York City. In September 2015 we released our Brooklyn Guide, followed by the release of our Manhattan Guide in January 2016. We are proud to present the 2016 Citywide Guide to Services and Resources in Queens during our Centennial Year. The Guides for The Bronx and Staten Island will be published within the year. Together, all five publications will provide much needed information to New Yorkers who face daily challenges to obtaining the quality of life they deserve.

Moving forward into our second century of advocacy and activism, WCC will partner with community groups to train service providers and users on how to effectively use the Guides. Ultimately, WCC will closely evaluate the impact of the Guides in order to improve social service provision throughout the city, in pursuit of our long-term vision for the best possible New York City for all.

Thank you,

**Annette Choolfaian**  
President

**Jacqueline M. Ebanks**  
Executive Director
